

# Can you HELP us ???

*In preparation for the 125th Show we are collecting:*

- ◆ Memorabilia
- ◆ Stories (not necessarily 100% true...)
- ◆ Photos
- ◆ Newspaper clippings, schedules, posters

To celebrate the 125th year anniversary The Camden Show Society is planning to publish a small book with photos and memories of the Show collected from past committee members and Show Society members as well as the general public. As part of the show, there will also be a special exhibition celebrating our 125 years. If you have any items to contribute be they photos, newspaper clippings, schedules, awards, posters, trophies or any other item that you think may be of interest please do not hesitate to contact the Show Office as we'd love to hear from you.

Lu Papi and Neville Clissold are producing the book to celebrate this special occasion. If you or anyone close to you have some memories of a special occasion, event or general Show experience that you would like to share or can help, please contact Neville on 46841165 or Lyndy at the Show Office.

What the Show Society is trying to capture is the collective recollection of past significant occasions that will map out the continuous growth and evolution of the Camden Show. We all have some special moment that we remember and those memories are what we would like you to think are worth sharing.

For example, for the Centenary Show the Society held a ball for over 1,200 people. Were you there and do you recall any particular aspect of that night? Do you have photos? Do you have the nights program?

Whatever memories of past Shows or Show Balls, it does not matter how long ago or how trivial they may seem, please consider sharing them with current members of the committee and the broader Membership of the Show Society.

We would love old photos and if you know who is in them then even better! We will scan and copy these and return them to you as soon as possible. Other items we would love to borrow for the Show Display and somehow keep a record of.

Your participation will make the 125<sup>th</sup> Anniversary Year a time to remember, not just for 2011 but in the future as well.

Best Regards,

Neville Clissold / Lu Papi / Lyndy Cornwell
